RE: Comments on LS-02-15

Dear Mr. Payne:

As a pork producer from Illinois I would like to comment on Docket Number Ls-02-15, regarding rules for pork promotion.

I believe that the USDA should exhaust all avenues to determine who the legitimate producers are. This information would then be used to determine who is to be polled or eligible to vote. The most important issue in my opinion, is including all producers, big or small, and eliminating any of the people outside of production or importing.

Very truly yours,
